**Re:** Fire Department Summary Report

**Report Summary:**

The Frisco Fire Department responds to a variety of calls for service. A call may require a single ambulance or multiple fire trucks to mitigate an emergency. The monthly report allows us to review calls by type and analyze the responses for adequate personnel and equipment.

**Comparative Data:**

The included graphs show the Fire Department's activity during the last year.

**Report Analysis:**

The Fire Department responded to 609 calls during the month of April including 292 emergency medical calls and 67 motor vehicle accidents. The Fire Department also responded to 5 structure fires and 2 car fires resulting in combined damages of approximately \$235,000. 191 fire safety inspections were completed in April.
